2018 BUSINESS IMPROVEMENT GRANT PROGRAM

Basic Grant: Guidelines

SCOPE/PURPOSE

This is a 50/50 reimbursed matching grant program designed to encourage and assist with business improvement in Atchison County, Missouri. The purpose of this grant program is to improve aesthetics, safety and/or function of existing businesses, with an end goal of sustaining and growing those businesses.

The grant amount will equal up to 50% of the cost of eligible improvements, up to a maximum of \$1,000. For example, if a total project cost is \$1,200, ACDC's reimbursed grant is \$600 and the business will provide \$600 of their own funds. If a total project cost is \$2,200, ACDC's grant is \$1,000 and the business will be responsible for \$1,200. [In-kind donations (labor, etc.) do not count toward the applicant's match.]

ACDC could award up to \$10,000 for the 2018 grant cycle, depending upon number of applications and project selection. Once the grant cycle is closed, remaining applications will be discarded.

GUIDELINES

Applications will be accepted via mail ONLY beginning February 1, 2018. Applications will be date-stamped by postmark upon receipt and will be considered in the order they were received. The committee will consider applications on a monthly basis until all grant funds have been awarded.

Only new projects are eligible. Expenses incurred prior to approval of a project are not eligible for reimbursement. Projects must be completed by October 31, 2018, or the funding may be withdrawn and returned to the grant pool. Grant recipients will receive funds upon completion of the project and the submittal of all required documentation.

The application should indicate what vendors will be used. If a local vendor cannot be used, a justification is necessary. Explanations might include that a particular vendor does not exist in Atchison County, local vendors could not provide service/products in a timely manner, local vendor charges 25% or more than an external vendor, etc. If, after a grant is awarded, the project begins and a local vendor is unable to complete the project, ACDC must be notified in writing (via email or mail) of the change, the reasoning for the change, and the proposed solution.

At the discretion of the grant committee and/or ACDC staff, exceptions to any of the guidelines may be approved due to special conditions or situations.

ELIGIBILITY

Businesses that have a valid tax ID number, are current with their taxes, and possess a current business license (if applicable) can apply. A business that received Business Improvement Grant funds in 2016 or 2017 is **not eligible to apply** in 2018. Nonprofits and governmental entities are not eligible.

Businesses can apply once per location per calendar year. Multiple businesses that share a single location may apply together if a project is mutually beneficial. For example, two businesses would be eligible for a maximum of \$2,000 toward a \$4,000+ project.

CONFLICT OF INTEREST POLICY

If there is a conflict of interest with one of the committee members, an alternate ACDC board member or the ACDC Executive Director will be the 5th vote. ACDC board members and city representatives who are a part of the grant committee will not be Atchison County business owners, and will therefore be unable to apply for the grant. If an ACDC board member is affiliated with an application, they will not participate in the ACDC board approval conversation and will abstain from the vote.
